

Tri-One Tables

Overview+Options

Tri-One brings flexibility through a full offering of training tables, meeting tables, and modular conference tables to outfit a variety of signature, collaborative, and multi-use spaces. With a range of shapes, sizes, edge profiles, surface materials, and options for integrated power/data capabilities, Tri-One's versatility is virtually limitless.

Training tables are pre-drilled to ang easily from the ends or fronts, without tools. Optional, proprietary flip mechanisms activated from any table position allow for quick, effortless nesting and storage.

Specify power ports in or under the work surface. Ports are available in white, aluminum, or black.

Stylish, Envy C-legs have built-in modesty panels which act as a trough to route wires to the legs where a discreet removable interior panel keeps things tidy while providing access.

Envy C-legs and Vantage T-legs offer modesty panels and both leg styles are available with glides or casters.
