

# Plush Lounge

## Technical Specifications

### Construction & Materials

- Frame:** Exposed wood parts are kiln-dried hardwoods and structurally-engineered hardwood plywood. Exposed frame parts are selected from the highest grade of hardwoods and are free of splits, discoloration, pits, shakes and wormholes. European Beech on legs and arm caps. Joints are double doweled or mortised and tenoned, screwed and glued for maximum strength. Non-marring adjustable nylon glides included in each leg at floor level.
- Seat & Back:** High grade foam in arms, seat, and back
- Finish:** Multi-step catalyzed varnish hand-finishing process is used on all legs and arms. Veneer tablet arms and table tops feature UVAdvantage, an ultra-violet finish on all exposed surfaces by utilizing roll-coat UV technology.

### Features

- Plush Lounge seamlessly brings together commercial spaces with the relaxed comforts of home.
- Plush lounge and ottomans available with a Plinth Accent Trim option with matching leg or contrasting finish options.
