

# Tri-One Tables

## Technical Specifications

### Construction & Materials

<b>Veneer:</b>	Surfaces feature select-grade, plain-sliced hardwood Cherry, Maple, American Black Walnut, White Oak, and Composite Veneers; Veneers are carefully selected and matched to assure proper balance and consistency. Veneer features UVAdvantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology.
<b>Laminate:</b>	Thermally-Fused Laminate (TFL) and High-Pressure Laminate (HPL) are made of woodgrain and solid color laminates fused to particleboard core; each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance.
<b>Tops:</b>	Tops with the Square (Y) edge profile are 1" thick TFL or 1 $\frac{3}{16}$ " HPL with a 3mm PVC rim; or 1 $\frac{3}{16}$ " Veneer with 1.5mm edge banding. Tops with the Knife (K) edge profile are 1 $\frac{3}{16}$ " HPL with a 3mm PVC rim or 1 $\frac{3}{16}$ " Veneer with 1 $\frac{1}{2}$ mm edge banding. Training and Modular tops feature shaped profiles on the user side while Meeting tops are shaped on all four sides. Tops are pre-drilled for the specified base assembly and for ganging where applicable. Grain direction runs left-to-right, unless noted.
<b>Legs/Bases:</b>	The Envy and Vantage leg/base styles are powder-coated Aluminum and include a 5mm steel mounting plate; Strut legs are made of steel and are powder-coated Aluminum or Black. Envy style legs are aluminum extrusions while Vantage style legs are welded steel. All legs and bases come standard with adjustable glides.
<b>Ganging:</b>	All Modular and Training tops are pre-drilled with threaded inserts for ganging applications. Ganging brackets include quick release thumb screws for ease of use; No tools required.
<b>Nesting:</b>	Training tables offer an exclusive flip mechanism which can be accessed from any position to allow easier nesting of tables. Optional flip mechanisms are factory installed and must be specified at the time of order.
<b>Power/Data Cord Mgmt:</b>	Grommets are available in tops, where noted. Grommets are 2 $\frac{3}{8}$ " in diameter and available in black or silver. Power/Data units available for under-surface mount, routed into tops, or for use in standard grommet holes (e.g., Sand Dollar). Power/Data Units comply with FCC Part 15A and UL. Standard Power/Data plugs and daisy-chain connections are available; daisy chains are non-sequential; connect up to 8 modules.

### Features

- Designers Jim Contois and Ramsey Madsen complement existing products with the Tri-One Table Collection. A full offering of training, meeting, and modular tables are available in flexible models that is sure to meet every expectation with integrated power and data capabilities.
- Select from Veneer or Laminate tops. Our veneer features our UVAdvantage on all exposed surfaces.
- Choice of the Knife or Square edge profile.
- Modular tops available in Rectangle and Trapezoid, as well as Pentagon and Bridge ganging tops. Available with the Envy or Vantage Post legs.
- Meeting tops available in Rectangle, Soft Rectangle, Soft View, Ellipse, Square, Soft Square, and Round shapes. Pair with the Y-Bases, X-Bases, and Strut legs. Use the Ellipse top with our Envy or Vantage Post legs.
- Training tops come in Rectangle shapes and feature the Envy C-Legs and Vantage T-Legs.
- Choose from a range of modesty panels, grommets, power/data options, and accessories to complete your setup.
- A holistic surface materials palette—veneer finishes and laminates; get inspiration at [www.indianafurniture.com](http://www.indianafurniture.com).
- 12 Year Warranty (some exclusions may apply, see Full Warranty in Price List)

### Certifications & Compliance

- Intertek Sustainability Certified for compliance with VOC emission concentrations
- BIFMA level® Certified for environmentally-preferable and socially-responsible office furniture
- BIFMA Compliant® Certified for meeting mechanical standards that focus on safety and durability
- TSCA Title VI (Formerly CARB) Compliance
- Contribution to U.S. Green Building Council's LEED Program
