

# Kennerly Swivel & Guest

## Technical Specifications

### Construction & Materials

- Frame:** Exposed wood components and chair frames are manufactured using European Beech and are free of spirits, discoloration, pits, shakes, and wormholes. Base caps are manufactured using select Maple. Joints are double doweled, screwed, and glued for maximum strength and durability. Non-marring glides included with each leg.
- Seat:** High quality sinuous springs with weight distribution rods paired with high-grade polyurethane foam, 1½" thick in the seat and back, ensure a comfortable seating application; corner blocking ensures sturdy support.
- Finish:** Multi-step catalyzed varnish hand-finishing process is used on all exposed wood frames.

### Features

- Handsome styling with elegant detailing makes Kennerly a mainstay for today's traditional environments.
- Swivel Base with pneumatic height adjustment, nail trim, tufted and pillow back models add detail and versatility to this collection
- Textiles are sewn with double stitch seams for classic detailing and long lasting quality.
- Wood bases and legs are available in 29 wood finish options to coordinate with our Casegoods, Reception and Table models.
- Find inspiration for upholstery options with our [Textile Program](#).

### Certifications & Compliance
