FURNITURE

# CASEGOODS + RECEPTION

PRICING EFFECTIVE MAY 13, 2024

Being over a century old hasn't slowed us down! Sure, we are still the reliable, ethical company that was born in southern Indiana, steeped in quality, craftsmanship, and service. But have you seen our latest introductions? We are making a splash with design and challenging the concept of modern offices. Go ahead. Take a look. You know you want to.

## Our Pledge to People + Our Planet.

We've been making wood furniture longer than just about anyone...and we want to be doing so for a long time to come. That's a large part of why we take a stewardship approach to our resources. We believe that environmental sustainability and business profits need not be mutually exclusive. They can and should exist side by side in a mutually beneficial relationship. And for more than a century, we've been showing how it's done.

We've proven our commitment to a sustainable future by supporting the standards and programs that protect our home planet and human health. Whether it's local sourcing, reducing contaminants, implementing wellness and safety programs, or diverting waste from landfills, social responsibility is a part of every decision we make at Indiana Furniture.

One of the surest ways to reduce our impact on the planet is to make and buy things that last. And this one's a natural for us. Our products are made with craftsmanship and attention to detail that are a part of our more than a century-long legacy in wood manufacturing. And our products are backed by our 12-year warranty, which facilitates maintenance, servicing and reassembly.

All of our product lines:

- Are manufactured and assembled in the USA,
- Meet or exceed Indoor Air quality standards\*,
- Meet or exceed BIFMA level® Sustainability standards and certification\*,
- Conform to the BIFMA Compliance standards\*,
- Comply with TSCA Title VI (CARB) standards,
- and can contribute to U.S. Green Building's LEED Program.

To learn more, simply go to [www.IndianaFurniture.com/resources](http://www.IndianaFurniture.com/resources).

## Ease of Specification

Whether you're looking to specify your office spaces or simply to visualize them in the options and surface materials you are desiring, we make it easy. You can find the entire Indiana Furniture portfolio on the following third-party, space-planning platforms.

\* Recently launched or new products may still be in testing; Cush Pillows is currently not BIFMA Compliant due to no available compliance test.

A foundational suite of casegoods primed to evolve with your needs. Gesso allows you to combine luxurious veneers, top grade laminates, metal accents, and other materials to create stylish, reconfigurable work spaces and storage options. With integrated height adjustable units, white and black glass door options on hutch and storage units as well as a full line of white and black glass marker boards provide opportunities for more elegant and clean aesthetic.

### CONSTRUCTION

*Gesso Casegoods feature a Veneer chassis with your choice of either a Veneer or HPL top. Units ship assembled unless otherwise noted.*

#### VENEERS

- Exposed surfaces feature select grade plain sliced hardwood Cherry, Maple, American Black Walnut, White Oak, or composite veneers
- Veneers are carefully selected and matched to assure proper balance and consistency

#### TOPS

- Veneer and standard High Pressure Laminate (HPL) tops are 3-ply balanced construction and 1 $\frac{3}{16}$ " thick, with 3mm wood edge-banded rims contoured to the selected profile
- Optional 1 $\frac{1}{2}$ " thick HPL worksurfaces are available in select colors. Please contact Customer Service or your local Sales Rep for pricing and lead times. Sugar Maple and Williamsburg Cherry feature ABS edge bands
- Tops are shaped on user and approach sides
- Grain direction runs left to right unless otherwise noted

#### CHASSIS

- Chassis is securely fastened using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors
- All desks, non-lateral credenzas, and returns have wire management access from pedestal to kneespace

#### DRAWERS

- Drawers feature 5-sided construction allowing for easy removal of drawer fronts
- Drawer fronts are 3-ply construction,  $\frac{3}{4}$ " thick with matched grain
- Drawer sides, back, and front are  $\frac{1}{2}$ " thick, woodgrain vinyl wrapped construction with mitered corners
- Box and file drawers feature full extension, progressive action slides with precision steel ball bearings allowing side-to-side and front-to-back
- Optional soft close on box and file drawers allows front-to-back filing in file drawers
- Optional wood dovetail construction with  $\frac{7}{16}$ " thick hardwood sides and backs, and  $\frac{5}{32}$ " thick hardboard bottoms
- Box and file drawers have  $\frac{1}{8}$ " thick hardboard bottoms and tested for 100lb capacity
- Lateral files feature  $\frac{1}{4}$ " thick bottoms. Drawers are tested for 200lb of equally distributed weight (ex: hanging file folders) and 65lbs of bottom load weight (ex: stacked catalogs)
- All suspensions have a limited lifetime warranty

#### FILING

- All file drawers are standard with filing systems designed to accommodate a variety of filing requirements
- Optional soft close on box and file drawers allows front-to-back filing in file drawer
- Letter width file drawers provide letter filing front-to-back and legal filing side-to-side
- Lateral file drawers provide legal or letter filing front-to-back or side-to-side

#### STORAGE

- All hinged doors include soft close hinges, unless noted
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure

#### LOCKING

- All units with file drawers feature locking
- Removable lock cylinders allow for units to be re-keyed at a later date, if required
- Units are shipped randomly keyed as standard
- Keyed alike units available upon request at no additional charge
- Lock core is predetermined by pull color. Black lock cores are used with black and gold pulls while silver lock cores are used with chrome and aluminum pulls

#### CORD MANAGEMENT

- Grommets may be ordered in the tops of all assembled desks, returns, bridges, credenzas, and component worksurfaces
- All desks, returns, and credenzas (except lateral pedestals) have standard wire openings from inside the pedestal to the kneespace allowing quick access to technology below
- Additionally, returns, bridge units, kneespace credenzas, and hutch units have standard grommets in back panels
- Grommets are also standard in the tops of corner units and extended corner units
- Grommets are 2 $\frac{3}{8}$ " and are available in black or silver, must specify color
- [See all grommet options](#)
- Undersurface Wire Manager (O1-WMGR4) is available for additional cord management; See Accessories

#### HEIGHT ADJUSTABLE MECHANISMS

- Optional center drawer, Dock 950 and Dock 150,  $\frac{3}{4}$ " modesty panels, and kneespace options are not available with height adjustable units
- Height adjustment range 30"H-45"H
- 5-year warranty
- [See Height Adjust Information and Options](#)
- Height Adjustable units begin [here](#)

#### STUDIO LEGS

- For each of the Studio models, standard or shared legs will need to be specified
- Choose to use four standard, a combination of standard or shared, or all shared legs on each unit
- The below images will provide a guide to the aesthetics of single, double, and shared legs
- Studio components begin [here](#)

Single Standard Leg

Shared Leg (used between two models)

Double Standard Leg (standard legs used on each model)

### DRAWER CONSTRUCTION OPTIONS

Drawers come standard with woodgrain vinyl-wrapping and mitered corners. Optional wood dovetail construction for all box, file, and lateral file drawers is available. Must Specify when ordering.

**Pricing is per Drawer, not per Model/Unit**

MITER	Mitered Fold Construction	STD
DOVE	Wood Dove Tail Construction	\$ 45

### DRAWER TRACK OPTIONS

Soft close tracks are available on box and file drawers only. Soft close drawer tracks have many benefits including reduced stress on the unit, extends the life of the drawer, and ensures a gentle close so fingers don't accidentally get hurt. **File drawers with the soft close option feature front-to-back filing.** Must specify when ordering.

**Pricing is per Drawer, not per Model/Unit**

SFTCL	Soft Close Drawer Track (Box & File Drawers Only)	\$ 34
-------	---	-------

### LOCK CORE COLOR OPTIONS

BLK	Black (Used with Black and Gold Pulls)
SLV	Silver (Used with Aluminum and Chrome Pulls)

Black (BLK)

Silver (SLV)

Grommet options on next page.

**GROMMET OPTIONS & POWER UNIT LOCATIONS**

**Note: Wire Management Options for Integrated and Modular Height Adjustable Models may be found in their specific area within this section.**

Grommets are standard in the back panels of returns, bridges, and credenzas, and may be ordered without grommets at no additional charge. Please specify NO GROMMET on order.

Grommets are available on hutches in standard locations for task light management at no additional charge. Please specify WMHUBL (Black) or WMHUSV (Silver).

Power units, Dock 950 and Dock 150 must be specified separately with surface mount location. Dock 950 and Dock 150 are available on Modular Benching Desk Tops, Modular Cabinet Tops, Work Tables, and Media Peninsula Tops, and where otherwise noted.

Grommets are available in standard locations. Please specify using info below. Multiple locations may be selected. Only one unit per location.

**GROMMET LOCATIONS (Black = BLK and Silver = SLV)**

GC	Grommet, Center	\$	52
GL	Grommet, Left	\$	52
GR	Grommet, Right	\$	52
GAL	Grommet, Approach Left - D-Tops Only	\$	52
GAR	Grommet, Approach Right - D-Tops Only	\$	52

### HEIGHT ADJUSTABLE MECHANISMS

Height Adjust method that increases user kneespace, offers more stability for overall unit and top construction, and two worksurfaces can move from sitting to standing simultaneously with or without moving modesty panel.

- Maximum height is 45"
- Recommended load capacity of 180lbs
- Gently adjust worksurface with a 1 second stop at each memory position
- Two leg configuration options include the standard 2-channel for Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface or 3-channel option for two height adjustable worksurfaces to raise simultaneously
- Two height adjustable switches available. Standard up/down switch (SWCH) and advanced switch features Bluetooth capabilities, three stand-up reminder intervals and four height memory positions (MSWCH)
- Moving Modesty (MOVMOD) option creates a clean aesthetic when seated or standing
- Height adjust control switch is factory installed on all units except Desk Shells, Bridges or 3-Channel units
- Bridges, returns, and credenzas will have an optional grommet on the back panel
- Black wire management mesh wrap included when worksurface grommet is selected
- Black wire management mesh wrap is made of polyester braided fabric, 10' long, expands up to 1 3/4"
- Grommets and one Latch Duct wire management channel provided within kneespace to manage wires from switch and control box. Two Latch Duct wire management channels will be shipped with Desk Shells

Height Adjustable User Side

2-channel Configuration

Moving Modesty

Black wire management mesh sleeve

### HEIGHT ADJUST LEG CONFIGURATION

The 2-channel leg configuration is standard on height adjustable Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface. Select models offer an optional 3-channel leg configuration for use with 3-channel Returns to allow two worksurfaces to raise and lower simultaneously.

2-channel Configuration  
Raise Single Surface

3-channel Configuration  
Raise Multiple Surface

Shown with two worksurfaces raised and optional moving modesty.

### MODULAR HEIGHT ADJUSTABLE GROMMET OPTIONS & POWER UNIT LOCATIONS

Grommets are standard in tops of cabinets and credenzas in Black (BLK) or Silver (SLV).

Grommets are available in locations shown below. Please specify and add upcharge for each grommet. Multiple locations may be selected. Only one unit per location.

**GROMMET LOCATIONS (Black = BLK and Silver = SLV)**

GC	Grommet, Center - Specify BLK or SLV	\$	52
GL	Grommet, Left - Specify BLK or SLV	\$	52
GR	Grommet, Right - Specify BLK or SLV	\$	52

**DUO/TRIO BEZEL LOCATIONS**

PDC-C	Bezel, Center
PDC-L	Bezel, Left
PDC-R	Bezel, Right

**DOCK 950 and DOCK 150 LOCATIONS (See Dock Units)**

DOCK950-L	D950 Wireless Charger, Left	\$	265
DOCK950-C	D950 Wireless Charger, Center	\$	265
DOCK950-R	D950 Wireless Charger, Right	\$	265
DOCK150-L	D150 Wireless and USB Charger, Left	\$	405
DOCK150-C	D150 Wireless and USB Charger, Center	\$	405
DOCK150-R	D150 Wireless and USB Charger, Right	\$	405

Verify Grommet Option is available on the model(s) you are specifying using the following location information. Grommets, Power Units, Dock 950 and Dock 150 may be ordered in non-standard locations. Call Customer Service to assist with specification and/or please attach a drawing to the PO showing the location of the grommet. Note additional charges and lead times may apply.

## Studio Components

Boutique-inspired options to give all your working environments a fresh look with a subtle touch of home. Integrated into our ever-popular Canvas and Gesso Casegood lines, Studio models build upon simplicity and flexibility while allowing you to create eye-catching spaces. Whether you're looking to outfit an executive's office, team space, collaborative area, or anything in between, our Studio desk and storage components have the look and feel you desire.

Studio components work with existing Canvas Tops, Peninsula Tops, and accessories such as Tackboards, Work Walls, Marker Boards, and Cushions to build the perfect workspace. The slim leg design provides an upscale feel for all of the Studio components. Storage units such as standard height pedestals offer the flexibility to build single or double pedestal desks or credenzas and low height pedestals allow you to create bench style credenzas.

The Studio pull features a clean application.

### How to Use Studio

Start with a Modular Top to build a Desk, Peninsula Desk, Benching or Credenza ([See Modular Tops](#))

Next, choose from a number of Studio Pedestals options in Standard or Low Height. ([See Studio Peds](#))

Kneespace Modesty Panels are available in standard height in TFL or High Gloss Acrylic or low height in TFL ([See Modesty Panels](#))

Add additional storage with Studio Storage Cabinets and the full door storage cabinet features high gloss acrylic and dry erase door options ([See Storage Cabinets](#))

Single and Shared Stanchions offer a layer of support for workstations and single or dual sided hutches ([See Stanchions](#))

Studio Single and Shared Legs images below provide a simple and clean aesthetic. See below for a guide to the aesthetics of single, double, and shared legs ([See Leg Options](#))

Single Standard Leg

Shared Leg (used between two models)

Double Standard Leg (standard legs used on each model)

### Height Adjustable Components

We've enhanced our height adjustable options to include a better integrated and easier to specify solution. These new models coupled with our existing modular height adjustable, and all of our standard models and storage options, provide you with the ultimate flexibility to meet the needs of your space and, more importantly, the needs of the user. And, we've made these new models more cost effective for you and more functional and spacious for the user.

#### Some Highlights of Our Integrated Solutions:

- Adjustable from 30"H to 45"H, with a load capacity up to 180lbs
- Gently adjust one worksurface or multiple worksurfaces with a 1 second stop at each memory position
- Two leg configuration options include the standard 2-channel for Desks, Desk Shells, D-top and P-Top units for one height adjustable worksurface or a 3-channel option for two height adjustable worksurfaces to raise simultaneously
- Two height adjustable control switches available. Standard up/down switch (SWCH) and advanced switch features Bluetooth capabilities, three stand-up reminder intervals and four height memory positions (MSWCH)
- Moving Modesty (MOVMOD) option creates a clean aesthetic when seated or standing
- Height adjust control switch is factory installed on all units except Desk Shells, Bridges or 3-Channel units
- Bridges, returns, and credenzas have an optional grommet on the back panel
- New black wire management mesh wrap included when worksurface grommet is selected
- Grommets and one Latch Duct wire management channel provided within kneespace to manage wires from switch and control box. Two Latch Duct wire management channels will be shipped with Desk Shells

Black wire management mesh sleeve included with worksurface grommet

Standard 2-Channel Height Adjustable

2-Channel Height Adjustable with Box

#### Bring the Open Plan and Shared Spaces to Life!

Modular Height Adjustable components make it easy to create the perfect work environment for any space. Select from an array of sizes of worksurfaces, pedestals, filing units and more to connect teams together so collaborating can be easy and productive.

*If you prefer our original solution or have specified it previously, and would like to do so again, simply contact our Customer Service team for assistance. We can make that happen for you!*

## ORDERING INFORMATION

All orders should be emailed to [neworders@indianafurniture.com](mailto:neworders@indianafurniture.com).  
Orders can be faxed to 812-482-9035 or mailed to:

Indiana Furniture  
P.O. Box 270, 1919 Hospitality Dr., Ste. A  
Jasper, IN 47547-0270

## ORDER PROCEDURE

All orders must include purchase order number, billing address, ship-to address and phone number, and any special instructions.

When ordering casegoods or tables, give complete quantity, model number, finish and any other options.

When ordering seating, give complete quantity, model number, finish, fabric and any other options.

Within each series, an example of "How to Order" is illustrated at the beginning of each series section. For further clarification of order procedure, contact Customer Service.

## PRICING

All prices shown are suggested retail prices F.O.B. Point of Origin, freight prepaid and allowed to one continental US destination. Prices, specifications and materials are subject to change without notice. Possession and/or distribution of this price list does not in itself constitute an offer to sell. Orders can be received only from authorized Indiana Furniture dealers. Orders will be billed at prices prevailing at time of shipment, unless acknowledged prior to the effective date of the price change, in which case billing will be at the price acknowledged.

## ACKNOWLEDGMENT

All orders will be acknowledged promptly, showing how the order was entered, its approximate shipping date and other pertinent information. This acknowledgment is the final agreement between the customer and Indiana Furniture and is the exclusive statement of the terms thereof. Please examine this acknowledgment carefully and advise Indiana Furniture immediately of any discrepancies.  
Note: Shipping fees will not be listed on the acknowledgment.

## BUYER'S OBLIGATION: RIGHTS OF SELLER

If Indiana Furniture shall at any time doubt Buyer's financial responsibility, Indiana Furniture may decline to make shipments hereunder except upon receipt of cash payment in advance or security or other proof of responsibility satisfactory to Indiana Furniture. If buyer fails in any way to fulfill the terms and conditions set forth herein, Indiana Furniture may defer shipments until such default is corrected. Remedies provided herein shall be in addition to, and not in lieu of other remedies. Buyer agrees to abide by payment terms as listed on invoice. Buyer shall pay all reasonable costs and expenses, including attorney and collection fees, and late fees, incurred by Seller in connection with any amounts due for goods ordered.

## CANCELLATIONS AND CHANGES

Due to immediate production on build-to-order items, all orders are considered firm and are not subject to cancellation or change without approval from Indiana Furniture. All approved changes are subject to additional charges and revised lead times.

## PRODUCT DESIGN AND SPECIFICATION CHANGES

Indiana Furniture reserves the right to make changes in design and construction or discontinue products without prior notice.

## REPAIR CHARGES

Indiana Furniture will only pay repair charges if Customer Service gives prior written authorization. No repair charge will be paid without advance approval at which time you will be issued a repair authorization number that will allow you to invoice Indiana Furniture for the completed work.

## WAREHOUSE STORAGE CHARGES

If a shipment is held beyond 14 calendar days at your request, a **.084% per calendar day** (2.52% per month) storage charge will be assessed. The effective date will be 14 calendar days after the acknowledged ship date. Further, the prices applied to the order will be those in effect at the time of shipment.

## DAMAGED MERCHANDISE

The consignee is responsible for filing claims with the carrier for damage and shortages. Claims for both obvious and concealed damage must be filed within 15 calendar days, and the damaged merchandise must not have been moved from the original receiving location. All damaged merchandise, including the cartons and packing materials, must be retained for inspection by either the carrier or by an Indiana Furniture Sales Representative. Indiana Furniture reserves the right to select the most cost effective way to repair or replace the damaged item. Once you have notified the carrier, please contact Customer Service for further assistance.

**Obvious Damage/Missing Cartons** — Do not refuse merchandise damaged in transit. Indiana Furniture recommends the consignee inspect all merchandise upon arrival. If a shipment is received damaged or short, note all information on carrier's copy and your copy of freight bill and delivery receipt. Notify the delivering carrier and file a claim immediately. Pending the results of your claim, either Indiana Furniture or the carrier will cover 100% of the cost to repair or replace the damaged or missing item.

**Concealed Damage** — If concealed damage is discovered, notify the delivering carrier at once and request an inspection. This must be done within 15 calendar days of delivery. If the carrier will not perform the inspection, you should prepare an affidavit that you contacted them, noting the time and date, and that they failed to comply with your request. This, along with the other papers in your possession, will support the claim. Pending the results of your claim, the cost to repair or replace the item will be covered 1/3 by the carrier and 2/3 by Indiana Furniture for shipments less than a full truckload and 100% by Indiana Furniture for shipments of full truck loads.

## RETURN MERCHANDISE

Merchandise will not be accepted for return without a RGA (Return Goods Authorization) issued by Indiana Furniture. We will consider issuing RGA's for the following reasons:

1. Manufacturing defect (inspected by Indiana Furniture representative)
2. Indiana Furniture order processing error
3. Shipping error
4. Mis-marked cartons
5. Duplicated shipments

If you have any questions as to whether your reason for return qualifies for consideration, please contact your Customer Service Representative. Merchandise must be returned within 60 days of the RGA issued date, or within 60 days upon receipt of replacement product to receive credit. Returns due to mis-marked cartons must also be returned in the original cartoning, with shipping labels intact, to receive credit.

**All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to an Indiana Furniture facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.**

## DELIVERY AND FREIGHT CHARGES

All shipments are F.O.B. Point of Origin, Jasper, IN, freight prepaid and allowed dock to dock on 53' trailer. Ownership and responsibility of the merchandise becomes that of the buyer upon delivery to the freight company. Shipments into Alaska, Hawaii, Canada, Mexico, Puerto Rico and other exports are freight prepaid and allowed to port of exit.

Indiana Furniture reserves the right to select the most appropriate carrier and routing on all shipments. Indiana Furniture will attempt to accommodate requests for favored carriers and delivery times. Deliveries requested Monday through Thursday, after 3pm, will be assessed a \$300 per truck after hours fee. Deliveries requested after 3pm on Friday or on weekends, will be assessed a \$600 per truck weekend delivery fee.

Inside delivery and installation services are not included in the pricing shown. Any deviation from dock-to-dock delivery, such as but not limited to, non-dock, residential, or inside delivery must be specified on the order. Should these services be requested or required, all charges incurred will be charged to the "Sold To" of the order.

Shipments totaling less than \$3000 (net value, product only) will be assessed a small order fee of \$300 net per shipment. This fee will be reduced for items shipped via small package carriers. For order shipments of \$100 or less, shipped by small package carrier, the fee is \$18. For order shipments over \$100, shipped by small package carrier, the fee is \$40. All shipping fees will be added at the time of invoicing.

## BIFMA AND ANSI TESTING

Indiana Furniture is a member of the Business and Institutional Furniture Manufacturer's Association (BIFMA). Tests developed by the BIFMA and approved by the American National Standards Institute (ANSI) determine the strength and durability of casegoods and seating in its everyday use. Although this testing does not serve as a warranty or guarantee, Indiana Furniture products within this price list have been tested by an independent verifying body and meet or exceed applicable BIFMA and ANSI standards.

Subject to the limitations set forth in this warranty, Indiana Furniture Industries, Inc. (“**Indiana Furniture**”) warrants to the original purchaser all product in this price list (“**Product**”) to be free from defects in material and workmanship given normal use for a 12-year period from the date of manufacture. During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (in Indiana Furniture’s sole discretion) any Product, part, or component covered by this warranty and sold after May 13, 2024, which fails under normal use as a result of a defect in material or workmanship. Normal use is defined as the equivalent of a single shift, 40-hour work week. Indiana Furniture will repair or replace the defective Product, part, or component with a comparable Product, part, or component.

**Warranty periods are limited** for certain Products and parts as follows:

**12-year Warranty** (from the date of manufacture)

- Seating Mechanisms
- Veneers
- Laminates
- Casters and Glides

**7-year Warranty** (from the date of shipment)

- Pneumatic Table Lift
- Electric Table Lift

**5-year Warranty** (from the date of manufacture)

- Triple Play Series
- Electrical Components
- Pneumatic Cylinders
- Textiles, Foam, and Decorative Trim
- Swivel Arm Pads
- Keyboard Kits
- Lighting
- All Height Adjustable Mechanisms

**3-year Warranty** (from date of shipment)

- Dock 950 Wireless Charger
- Dock 150 Wireless and USB Charger

**THIS WARRANTY DOES NOT COVER:**

- Damage caused by a carrier or third party
- Normal or routine wear and tear
- Appearance, durability, quality, behavior, colorfastness, or any other attribute of customer’s own materials or any non-standard Indiana Furniture material (including CF Stinson, Maharam, Momentum, Mayer, UltraFabrics, Architex, and other alliance programs) specified by the customer and applied to a Product
- Color, grain or texture of wood, laminate and other covering materials
- Changes in wood or fabric color due to aging or exposure to light

As the manufacturer of the Product, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to reasonably resolve, as quickly as possible, any problems you may have with the Product within the terms and conditions of this warranty.

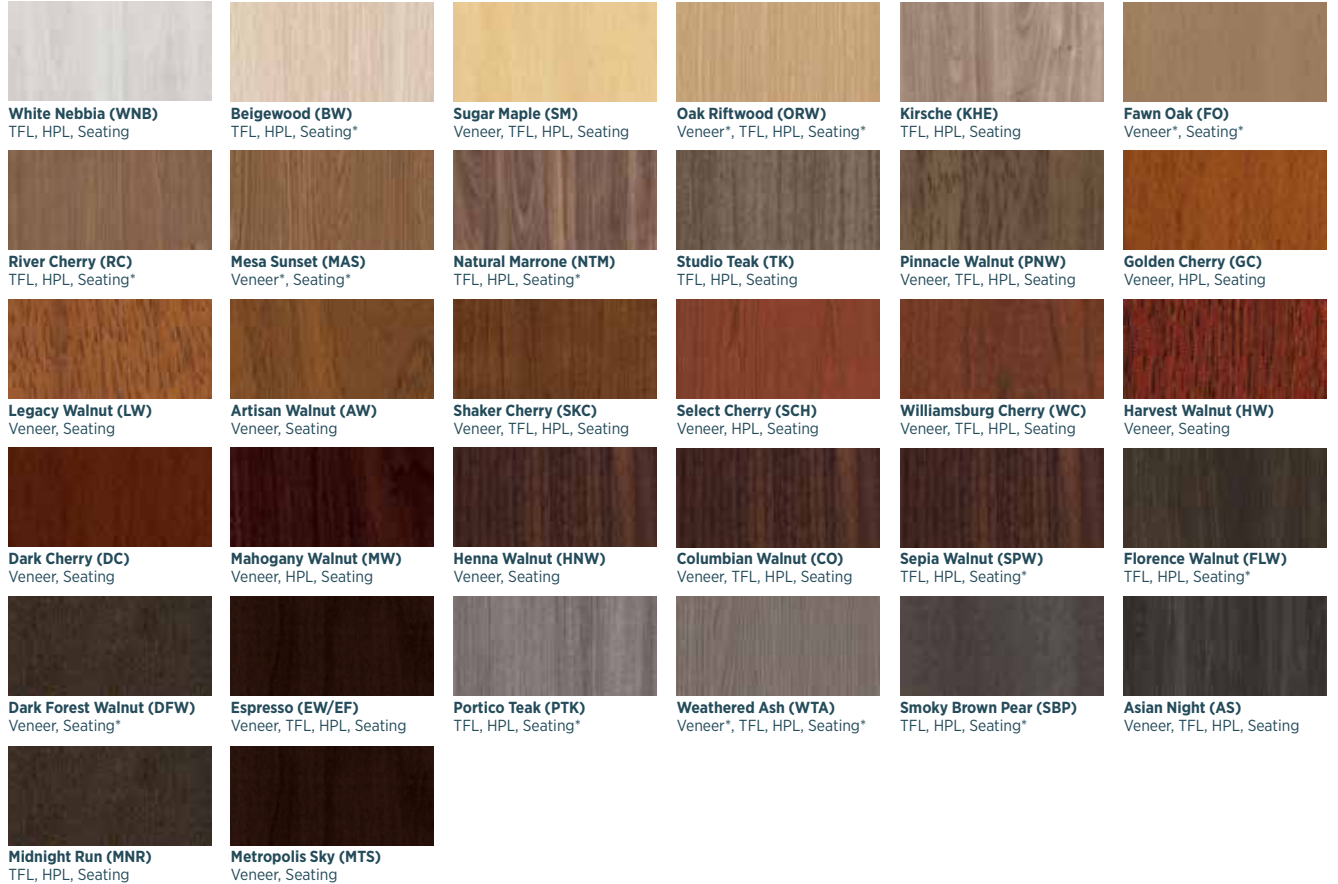

If you encounter a defect covered by the foregoing warranty, contact the dealer from whom you purchased the Product. If the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the Product.

INDIANA FURNITURE IS NOT PROVIDING, AND SPECIFICALLY DISCLAIMS, ANY OTHER WARRANTIES FOR THE PRODUCTS, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. INDIANA FURNITURE SHALL NOT BE LIABLE TO THE PURCHASER OR ANY THIRD PARTY FOR CONSEQUENTIAL, INCIDENTAL, INDIRECT, OR SPECIAL DAMAGES, INCLUDING, WITHOUT LIMITATION, DAMAGES ARISING OUT OF OR RESULTING IN ANY MALFUNCTIONS, DELAYS, LOSS OF PROFIT, INTERRUPTION OF BUSINESS, PERSONAL INJURY, BODILY INJURY, DEATH, DISMEMBERMENT, OR PROPERTY DAMAGE.
