INDIANA FURNITURE
PRODUCT WARRANTY

Indiana Furniture warrants the products manufactured by it to be free from defects in material and workmanship as follows: (a) casegoods for a period of twelve (12) years of single shift service from the date of purchase; and (b) seating for a period of five (5) years of single shift service from the date of purchase with the exception of the Marquee Series, which shall be covered for a period of twelve (12) years of single shift service from the date of purchase.

During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (at its option) any product, part, or component covered by this warranty and sold after June 1, 2010, which fails under normal use as a result of a defect in material or workmanship. Indiana Furniture will repair or replace the aforementioned product, part, or component with a comparable product, part or component.

This warranty extends only to the original purchasers who acquire new Indiana Furniture products through authorized dealers, or from others specifically authorized by Indiana Furniture to sell its products. Any product, part, or component must have been installed and maintained according to Indiana Furniture's published instructions in order to be eligible for coverage under this warranty and must not have been subject to misuse or abuse. Any improper assembly, modification, alteration, attachment, misuse, abuse, or negligent use by the purchaser or the dealer will void this warranty. Indiana Furniture does not warrant the performance of the product when used in combination with other than original Indiana Furniture products.

This warranty covers all defects encountered in the normal use of Indiana Furniture products, but does not apply to the following:

- damage caused by carrier
- COM/COL (Customers Own Material/Leather) specified
- color, grain or texture of wood and other covering materials due to natural variations
- changes in wood or fabric color due to aging or exposure to light
- defects or damages arising out of the coverage of furniture tops with glass or other foreign materials
- normal wear and tear

As the manufacturer of your furniture, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to resolve, as quickly as possible, any problems you may have within the terms and conditions of this warranty.

If you encounter a defect covered by the foregoing warranty, you should contact the dealer from whom the product was purchased. In the event the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the product.
