INDIANA FURNITURE
PRODUCT WARRANTY

Indiana Furniture warrants the products manufactured by it to be free from defects in material and workmanship as follows: (a) casegoods for a period of ten (10) years of single shift service from the date of purchase; and (b) seating for a period of five (5) years of single shift service from the date of purchase.

During the applicable warranty period, Indiana Furniture, as its sole obligation, will repair or replace (at its option) any product, part, or component covered by this warranty and sold after March 15, 2009, which fails under normal use as a result of a defect in material or workmanship. Indiana Furniture will repair or replace the aforementioned product, part, or component with a comparable product, part or component.

This warranty extends only to the original purchasers who acquire new Indiana Furniture products through authorized dealers, or from others specifically authorized by Indiana Furniture to sell its products. Any product, part, or component must have been installed and maintained according to Indiana Furniture's published instructions in order to be eligible for coverage under this warranty and must not have been subject to misuse or abuse. Any improper assembly, modification, alteration, attachment, misuse, abuse, or negligent use by the purchaser or the dealer will void this warranty. Indiana Furniture does not warrant the performance of the product when used in combination with other than original Indiana Furniture products.

This warranty covers all defects encountered in the normal use of Indiana Furniture products, but does not apply to the following:

- damage caused by carrier
- COM/COL (Customers Own Material/Leather) specified
- color, grain or texture of wood and other covering materials due to natural variations
- changes in wood or fabric color due to aging or exposure to light
- defects or damages arising out of the coverage of furniture tops with glass or other foreign materials
- normal wear and tear

As the manufacturer of your furniture, Indiana Furniture stands behind its craftsmanship and pledges to do everything it can to resolve, as quickly as possible, any problems you may have within the terms and conditions of this warranty.

If you encounter a defect covered by the foregoing warranty, you should contact the dealer from whom the product was purchased. In the event the dealer is unable to resolve your warranty issues, you should contact Indiana Furniture. Please ensure that you have all of the pertinent facts when contacting the dealer or Indiana Furniture, including the model number and factory order number from the inspection label attached to the product.

VENEER

Veneers on exposed surfaces are select grade sliced American Black Walnut and are carefully selected and matched to assure proper balance and consistency.

TOPS

Wood veneer and high pressure laminate tops are 3-ply balanced construction, 1 1/16" thick with solid hardwood rims. Veneer tops have mitered corners and laminate tops have butt corners. Grain direction runs left to right unless otherwise noted.

CHASSIS CONSTRUCTION

Pedestals are of mortised and tenoned construction with all joints securely fastened with screws, hardwood screw rail brackets and metal brackets. Solid hardwood parting rails assure a sturdy pedestal. Bases are solid hardwood with mitered corners. All units have finished veneer backs. Superior construction offers tight tolerances and long term durability. All units equipped with heavy-duty adjustable glides to ensure proper leveling and compensate for uneven floors.

DRAWERS

All drawer fronts are standard with elegant walnut bookmatched veneer faces. Fronts are 3-ply construction and 3/4" thick. Drawer interiors are constructed with 7/16" hardwood sides and backs and 5/32" thick hardboard bottoms. Lateral files have 1/4" thick drawer bottoms for storage applications. The drawer interiors are sanded, sealed, and finished to provide a smooth, quality feel and appearance.

DRAWER SUSPENSION

File drawers have high quality, progressive full extension slides with precision ball bearings to ensure a smooth, quiet operation. Tray and box drawers are equipped with 3/4 extension ball bearing action slides with positive stop action. All suspensions have a lifetime warranty.

FILING HARDWARE

All file drawers are standard with custom fitted filing systems designed to accommodate a variety of filing requirements. Legal width file drawers provide legal filing front to back, and letter or legal filing side to side. Letter width file drawers provide letter filing front to back, and letter or legal filing side to side.

LOCKING MECHANISM

Central locking is standard on all desks. One key in the lock cylinder locks all drawers in the desk. Removable lock cylinders allow for units to be re-keyed at a later date if required. Units are shipped randomly keyed as standard.

FINISH

The multi-step, finish process used by Indiana Furniture provides years of lasting beauty. High quality finish materials offer distinctive grain clarity and superior resistance to normal wear and easy maintenance. Wood veneer tops are shipped standard with satin sheen finish unless order is specified with open grain "high sheen tops." See page 366 for high sheen top option.
