

# Canvas Conference

## Technical Specifications

### General Information

---

- Canvas tables and conferencing offer a comprehensive selection of shapes and color options for any space that demands versatility and dependability.
- Pair with Canvas Casegoods or Canvas Reception to create a cohesive look throughout an entire facility.
- 22 Woodgrain and Solid Laminates, 21 Pulls and 4 Edge options.
- Canvas Tables feature a TFL chassis with an HPL top.
- All hardware necessary for proper installation and stability of an item is provided.
- All hardware on a unit is concealed.
- NEMA Plug, Hardwired and Daisy Chain Power/Data Grommets are available in a variety of configurations.
- Custom capabilities.

### Worksurface Construction

---

- Laminate tops are 1 3/8" thick and feature 3-ply balanced construction and PVC rims.
- Conference Tops are shaped on all four sides for complete design appeal.
- Data and wire management is available.
- Laminate tops are available in Walnut, Maple, Cherry & Oak options.
- Exposed surfaces are produced from wood grained and solid color laminates fused to a particle-board core.
- Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance.
- Table Tops are bonded to the core with a PVA adhesive in a cold press to prevent separation of the laminate from the core.
- Heavy Duty Ganging Mechanisms Connect 2 Piece Tops.
- Grommets available for table tops are 2 3/8" in diameter, have a low profile, and include an insert and cover.
- Grommets can be field or factory installed.
- Power/Data Grommets are available and can be installed in pre-determined locations.
- Grain direction runs left to right unless noted in Price List.

### Base Construction

---

- Bases are constructed with a Grade M2 particleboard core with Veneer on exposed faces and a black backer sheet on all unexposed faces.
- Bases offered with and without doors/removable panels.
- Cylinder Bases are weighted for stability.
- Metal Bases are available in Black and Aluminum options.
- Veneer Bases with metal accents are available in Aluminum, Mist, Noir, Oyster White & Sugar Cookie options.
- Bases feature integrated wire management.

### Chassis Construction

---

- Tops and end panels are securely fastened using high quality European fastening systems to ensure maximum strength.
- All units ship with heavy-duty, adjustable leveling glides to ensure proper leveling and compensation for uneven floors.
- All hinged doors include soft close hinges, unless otherwise noted.
- One piece hinge and base plate combination.
- Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure.

### Drawer Construction

---

- Drawer fronts are 3-ply construction, 3/4" thick with matched grain.
- Drawer sides, back, and front are woodgrain vinyl wrapped, 1/2" thick.
- Box and file drawers have 1/8" thick hardboard bottoms.
- Drawer bottoms are placed in a Dado groove reinforced with hot melt glue that provides a consistent structure along the entire length of all sides of the drawer bottom.

## Drawer Construction

---

- All drawers feature full extension, progressive action slides with precision steel ball bearings.
- Box and file drawers are tested for 100lb capacity.
- All suspensions have a limited lifetime warranty.
- Drawers are 5-sided construction which allows for easy removal of the drawer fronts without disturbing the contents of the drawer.
- Box and file drawers have full extension, progressive action slides with precision steel ball bearings.
- All desks have a black utility tray in the box drawer.
- File drawers have full height sides and metal file rails.
- A single lock core locks all drawers within a pedestal or lateral file.
- All file drawers are standard with custom fitted filing systems designed to accommodate a variety of filing requirements.
- The custom fitted filing systems prevents folders from binding and allows the drawer to close with index tabs in place.

## Power & Data

---

- Duo Bezel Unit
  - › Recesses into worksurface for easy access to power and data.
  - › 2 power/2 USB ports.
  - › Independent USB circuit controllers deliver up to 2.1 amps to each post.
  - › All mounting hardware included.
  - › FCC Part 15A and UL Approved for horizontal and vertical applications.
  - › NEMA Plug units include a 10' Power Cord.
  - › Hardwired units are 8 Wire/4 Circuit; Maximum 10 Duo units per circuit.
  - › Daisy Chain units allow up to 8 modules to be connected with available jumper cord.
- Trio Bezel Unit
  - › Recesses into worksurface for easy access to power and data.
  - › 3 power/2 USB/1 Open Data Port.
  - › HDMI, VGA, or RJ45 Accessories sold separately.
  - › Independent USB circuit controllers deliver up to 2.1 amps to each post.
  - › All mounting hardware included.
  - › FCC Part 15A and UL Approved for horizontal and vertical applications.
  - › NEMA Plug units include a 10' Power Cord.
  - › Hardwired units are 8 Wire/4 Circuit; Maximum 10 Duo units per circuit.
  - › Daisy Chain units allow up to 8 modules to be connected with available jumper cord.
- Power Data Port
  - › Flip Top design retracts into worksurface to regain productive space.
  - › One-Touch access to power and data.
  - › (2) Power Outlets and (2) Open Ports for Data.
  - › Water-Proof simplex outlets.
  - › Includes a Voice/Data adapter kit to accept couplers and jacks when required.
  - › 6' Power Cord.
- Chargespot
  - › Wireless Charging Enabled Devices (Qi) can be used directly with ChargeSpots without the Aid of a Spark.
  - › Not Compatible with Metal or Glass Surfaces.
- Chargespot Spark
  - › Apple Lightning compatible with Apple iPhones 5 and above.
  - › Micro USB Compatible with Android, Windows and Blackberry Phones.
  - › USBC are for newer Android Phones.

## Sustainability

---

- 12 Year Warranty (some exclusion apply, see Full Warranty in Price List)
- Intertek's ETL Environmental VOC+ Product Certification
- ANSI/BIFMA Level 2 Certified
- Contribution to LEED V4
- CARB (The California Air Resources Board) Compliance Products
- Energy Efficient LED Task Lighting
