

Iconic Casegoods

Technical Specifications

Construction & Materials

- Veneer:** Exposed surfaces feature select-grade, plain-sliced hardwood Cherry, Maple, American Black Walnut, White Oak, and composite veneers, carefully selected and matched to assure proper balance and consistency. Our veneer features UV Advantage, an ultra-violet finish, on all exposed surfaces by utilizing roll-coat UV technology.
- Laminate:** TFL and HPL are made of woodgrain and solid color laminates fused to particleboard core. Each laminate offers lasting beauty, superior resistance to normal wear, and easy maintenance.
- 3D Laminate:** 3D laminate surfaces eliminate the need for edge banding, visible seams, and special edge treatments; elimination of seams helps mitigate the accumulation of potential contaminants and simplifies cleaning.
- Tops:** 1 3/16" thick. The Square edge profile offers a 3-ply balanced construction with 3mm wood edge-banded rims, while the Knife and Illusion edge profiles are 5-ply balanced construction with hardwood rims.
- Chassis:** Chassis are fastened by using high quality European fastening systems and heavy-duty, 16-gauge joining brackets to assure maximum strength. All units ship with heavy-duty, adjustable glides to ensure proper leveling and compensate for uneven floors. Horizontal grain direction.
- Drawers:** Box and file drawers are tested for 100lb capacity, lateral files are tested for 200lb capacity. 5-sided drawer construction for easy removal of drawer fronts. Drawer fronts are 3-ply construction, 3/4" thick with matched grain while sides, back, and front are 1/2" thick woodgrain vinyl-wrapped miter fold construction. Box and file drawers have 1/8" thick hardboard bottoms, while lateral file drawers feature 1/4" thick bottoms. Optional dovetail construction with 7/16" thick hardwood sides and backs and 5/32" thick hard board bottoms. Box and file drawers have full extension, while lateral files have 3/4 extension, progressive action slides with precision steel ball bearings. Box and file drawers offer optional soft close. All desks have black utility tray in the box drawer.
- Pulls:** Finger Pulls are available in veneer, HPL, or fabric. Round metal pulls are available with a black or chrome finish.
- Filing:** All file drawers are standard with filing systems designed to accommodate a variety of filing requirements. Legal width file drawers provide legal filing front to back, and letter or legal filing side to side.
- Storage:** All hinged doors include soft close hinges. Soft close hinges reduce stress placed on the cabinet when the door is closed and offers a quiet closure.
- Locking:** All units with drawers feature standard locking; optional locking available on models with doors. Lock core available in black or silver. Removable lock cylinders allow for units to be re-keyed at a later date if required. Units are shipped randomly keyed as standard. Keyed alike units available upon request at no additional charge.
- Cord Management:** Grommets are available in the tops of desks, returns, bridge tops, kneespace credenzas, and credenzas. An exit grommet is standard on the bottom of pedestals for wires to escape. Hutch units have standard grommets in back panels. On units, where noted, a removable back panel for wire access/wire management, as well as an exit grommet, come standard. Grommets are 2 3/8" in diameter and include a black or silver insert and cover. Grommets can be field or factory installed.

Features

- With a nod to the '50s and '60s, Iconic's clean lines, tapered legs, and unexpected details present a timeless, approachable quality while being suited to outfit a multitude of areas, including private office, open plan/benching, small meeting areas, and ancillary spaces.
- Choice of three edge profiles—square, knife, and illusion (a unique style found only on Iconic)
- Contrasting components, like the top, chassis, modesty, accents, and legs, to create a signature look
- Integrated feature accents within modesty panels, pulls, and cabinets
- Features that only Iconic can offer: Illusion profile, finger pull, modesty, and cabinet accents, twisted bookcases, and uniquely crafted legs that provide a fresh perspective at every angle.
- A holistic surface materials palette—veneer finishes, woodgrain and solid laminate tops and accents, 3D laminate tops, black and chrome metal accents, and a nearly endless range of graded-in and contract upholsteries.
- 12 Year Warranty (some exclusions may apply, see Full Warranty in Price List)
