SAY HELLO TO WELCOMING ENVIRONMENTS.

Welcoming environments start with furniture that's warm and inviting. Create a customized reception and work area through flexible combinations of shells, components, and work surfaces that address multiple configuration options.

Subtle details, including multiple pull styles, edge options, overlay panels, molding options, and transaction counters in a variety of materials allow for a personalized look or seamless blending with any of our standard casework and table offerings.

Our reception products are responsible too. They consider the environment by using renewable and recyclable materials, allowing them to achieve indoor air quality and BIFMA level® certifications.
