Construction

- Body—Triple Play Seating is a fully upholstered product that features a firm polyurethane foam interior that holds its shape. The shape is static at the lounge height position and at the sitting height position. The foam has a gentle, flexible motion while sitting at the counter height position. The chair can be used to sit on any of the six sides.
- Handle—Each seat comes equipped with a fabric covered handle.
- Zipper—Triple Play Seating has a zipper for easy removal and cleaning of the fabric cover. Eight zipper colors are offered.

Applications

- Triple Play Seating is applicable for short-term guest seating or in hospitality applications. It is not intended to replace a task chair. The 26” counter height position is not recommended for small children or infant car seats.
