Built-In Multiplicity.

Indiana Furniture marks its 111th anniversary with Tri-One, a highly adaptable table collection in three categories: Training Tables, Modular Conference and Meeting Tables.

Tri-One: Aliso Laminate with Square Edge and Aluminum Envy C-legs. Shown with Aluminum Duo data ports. **Seating:** Felix upholstered-back chair with casters in Momentum Mica II Soothing.

Training tables are pre-drilled to gang easily from the ends or fronts, without tools, enabling flexible arrangements. Optional, proprietary flip mechanisms activated from any table position allow for quick, effortless nesting and storage.

Class Action.

Stimulate a learning environment with lively materials. Choose durable, high pressure (HPL) or thermally-fused (TFL) laminate training table tops in textured, patterned or wood-grains. Four edge styles and two post leg designs further define the look.

Tri-One: Steel Mesh Laminate tops and Aluminum Vantage T-legs. **Seating:** Toby stacking guest chairs in White.

Specify power ports in or under the work surface. Ports are available in white, aluminum, or black.

Stylish, Envy C-legs have built-in modesty panels which act as a trough to route wires to the legs where a discreet removable interior panel keeps things tidy while providing access.

Shapely Vantage T-legs include a stretcher rail and offer optional modesty panels.

Both leg styles are offered with glides or casters.

Tables gang easily for collaboration with simple thumbscrews. No tool required.

Mindful Meeting.

Think beyond the ordinary with modular conference tables in super flexible sizes. Wood or laminate tops can be 24" or 30" deep, with length specified in one-inch increments from 36" to 84". Innovative pentagon and trapezoid shapes enable more configurations with fewer pieces. Choose square or knife edges. Optional modesty panels match or contrast top material. Power ports available as standard or daisy-chain plugs.

Tri-One: Toasted Coconut with Knife Edge and Aluminum Envy Post Legs. Shown with One10 Credenza and Britta Lounge and Table. **Seating:** Joy chairs with Mesh Back in White and Upholstered Seat in Momentum Mica II Soothing.

Quickly gang two trapezoid tops and a pentagon to create open sight lines for video conferencing.

Meeting tables available in a rectangle, soft-rectangle, view or ellipse shape. Power ports available.

Tri-One: Toasted Coconut with Knife Edge and Aluminum Envy Y-legs. Shown with One10 Credenza. **Seating:** Joy Swivel chairs with Mesh Back in White and Upholstered Seat in Momentum Mica II Soothing.

Casual Collaboration.

Create informal community and personal spaces with nimble groupings of café-style tables in a trio of shapes and three height options. Tops can be wood or laminate, with square or knife edges.

Tri-One: Steel Mesh with Aluminum X-bases. Shown with One10 Parsons Table in Pearl White. **Seating:** Toby Guest chairs in White. Toby Barstools in Anthracite.

Select from round, square or soft-square tabletop shapes on aluminum X-bases at desk (30"), counter (36") or bar (42") heights.

Tri-One: Square Meeting Tables shown in Ontano with Aluminum X-bases. Soft Rectangular Meeting Table shown in Ontano with Aluminum Envy Y-legs. **Seating:** Toby Guest chairs in White. Toby Barstools in Anthracite. Isla Lounge seating in CF Stinson Vanish Sky.

Round Tables available in 30", 36", 42" and 48".

Shown with 30" high X-base.

Square Tables available in 30", 36" and 42".

Shown with 36" high X-base.

Soft Square Tables available in 30", 36" and 42".

Shown with 42" high X-base.

Private Pursuits.

Many Tri-One meeting tables are shaped on all four sides, so they can also be utilized as clean-lined desks for private office settings. A trough in the Envy Y-leg provides clean power routing.

Tri-One: Desk shown in Chanel Driftwood with Knife Edge and Aluminum Envy Y-legs. Shown with One10 Credenza. Table shown in Chanel Driftwood with Square Edge and Aluminum X-base. **Seating:** Joy Swivel with Black mesh and Ultraleather Pro Whitewash upholstery. Trift Guest chairs in Brentano Regalia Livonia.

Start from a solid base: Aluminum powder-coated base and leg styles provide functionality and discreet design. Envy Y-bases and Envy C-bases incorporate cable routing. All legs include adjustable glides or casters.
